

Aruga Cyber

AI, Automation and Human Expertise

CORE FEATURES OF ARUGA CYBER'S SERVICES

1 MXDR - Managed SOC, leveraging **Microsoft Sentinel** with advanced **AI, automation**, and threat intelligence. Benefit from 24/7 monitoring, **instant containment** of threats & **real-time reporting dashboards**, all seamlessly delivered through **MS Teams** providing maximum efficiency & security.

2 Incident Response - Enhanced retainer offering a 24/7 **1-hour SLA** for major cyber incidents. This service covers **digital forensics, attacker negotiations & system recovery** ensuring your business gets back on track quickly, no matter the challenge.

3 Threat Exposure - Our team constantly monitors the **Dark Web, Telegram, and other malicious channels** for **leaked company data** and signs of looming attacks. Stay informed with **instant notifications** and **real-time reporting dashboards**, all seamlessly integrated into **MS Teams**.

4 Vulnerability Management - We monitor your entire infrastructure, including **IT/OT, cloud, and on-premises**, delivering real-time notifications of security **vulnerabilities and misconfigurations**. **Software patching** is also available as part of the service, ensuring your systems stay secure and up to date.

Founded by **military veterans**, Aruga Cyber has turned the traditional MSSP model on its head. We blend **cutting-edge AI, automation, and expert human insight** to deliver real-time, proactive protection that sets a new standard in the industry.

Our team of **highly qualified analysts and engineers** are committed to protecting your business from cyber threats.

Each team member has been carefully selected for their **extensive experience** in delivering defensive cyber security services across **military, public, and private sectors**. Whether it's safeguarding sensitive government data or securing critical business infrastructure, Aruga possesses the **knowledge and expertise** to tackle any challenge head-on.

With team members strategically positioned in both the north and south of England, we ensure efficient service to **customers nationwide**.

**YOUR FIRST AND
LAST LINE OF DEFENCE.
