

Hire Intelligence

The Intelligent Choice in Computer and Audio Visual Rentals

Enabling Digital Transformation Through Short-Term Tech Rental

Hire Intelligence is a trusted partner for UK manufacturers and innovators seeking flexible, cost-effective access to cutting-edge technology. With over 25 years of experience and operations across the UK and Ireland, we specialise in *short-term IT and AV rental solutions* that support digital adoption, innovation, and operational agility.

How We Support the Made Smarter Mission

We help manufacturers accelerate their digital transformation by providing rapid access to the tools they need—without the capital outlay.

Common use cases include:

- Pilot programmes
- Temporary digital infrastructure
- Short-term production support
- Digital skills training

Key Rental Categories

- **High-Spec Laptops & Workstations** (ideal for CAD/design/simulation)
- **Interactive Touchscreens & Smart Displays**
- **iPads & Tablets** (great for digital data capture & mobility)
- **AV & Networking Equipment** (for connected events or hybrid workflows)

Why Choose Us

- ✓ **Fast Deployment:** Configured equipment delivered within 24–48 hours
- ✓ **Flexible Terms:** Rent by the day, week, or month
- ✓ **Custom Setup:** Devices arrive imaged and ready to use
- ✓ **Sustainable & Scalable:** Ideal for short-term rollouts and trials
- ✓ **Expert Support:** Local service and ongoing technical help
